ECO Minded™

*We are proud to offer printing on 100% Post Consumer
Material in text and cover weight.*

With 100% post consumer waste fiber, this is the ultimate, high performance, recycled color copy paper. At 96 brightness, this paper matches the standard virgin offering, in terms of visual quality and print performance.

Our Paper

We standardly print on quality papers such as Mohawk, HammerMill and Navigator.

Our Copier

We run the Konica Minolta BizHub Pro C6500. We calibrate our copier throughout the day for accurate color.
